

K-5 Faith Formation Schedule

Please see the following schedule for our K–5 Faith Formation classes. In addition to the regularly scheduled faith formation sessions, please pay special attention to the “What Is Going On” column for important dates and opportunities throughout the year. This column includes dates for Family Faith (intergenerational) Enrichments, Family Faith in Action events, and the dates when we will be teaching Circle of Grace. Circle of Grace will be done after the break. On dates designated for Family Faith Enrichment or Family Faith in Action, there will be no regularly scheduled faith formation class; these family events will take the place of class for that date. These opportunities are an important part of our faith formation program, providing families with opportunities to grow in faith, learn together, live out the Gospel, and strengthen their relationship with Christ and one another. There will be regular class after the Kick Off Lunch.

Month	Dates	What is going on?
